

WatchTVEverywhere

WatchTVEverywhere allows you to watch TV, well, everywhere! As a WTC Video subscriber, WTVe gives you access to TV shows, movies, and more at no additional charge. Download apps from your favorite channels and start watching!

How To Get Started:

Step 1: Go to wtve.net. Select WTC as your provider, then click "Register" to create your account. Fill out the form using your information below:

- WTC account number
- The account name exactly how it appears on your bill.

Step 2: Once registered, a confirmation email will be sent to the address you entered on the registration form. Follow the instructions in that email to activate your account.

Step 3: After you register, you can access WatchTVEverywhere two ways:

- Option 1: Go to wtve.net and login using your username and password. From there you'll see the available networks.
- Option 2: Download your favorite networks' apps on your tablet, laptop, or smartphone, or go directly to the network's website. Select WTC as your provider, then enter your username and password.

Use **SETUP** for all programming sequences.

Press **SKIP BACK** to replay the last several seconds of what you are watching (requires DVR).

MENU shows options menu.

GUIDE shows the program guide.

Use **DAY +/-** to move a day forward (or back) on your program guide.

Arrow keys move the cursor and navigate in the program guide and menu screen.

Use **OK** as **ENTER** for PPV events, and tune into programs from the guide.

Use **VOL +/-** to raise (or lower) the volume.

MUTE turns sound off; press again to turn sound back on.

Press **TV** and then **INPUT** to switch between STB, your DVD player or gaming system.

Press **POWER** once to turn on or off your TV.

Press **LIVE** to skip forward 30 seconds in a recorded or paused show (requires DVR).

In STB mode, these buttons control your VOD rentals and recorded programs from the DVR.

EXIT directly exits menus, guides and applications.

INFO displays the current channel and program information.

PAGE +/- pages up (or down) menu screens and program guide.

Press **ON DEMAND** for access to Video On Demand movies and local content.

CH +/- selects the next higher (or lower) channel.

LAST takes you back to the previous channel.

Use keypad numbers (1-9, and 0) to directly tune channels (e.g., 103).

Press **ASPECT** to change the aspect ratio (4:3 or 16:9) on your STB or TV.

Quick Remote Setup

1. Turn TV on.
2. Press TV key.
3. Press and hold **SETUP** until TV blinks twice.
4. Press 9-9-1.
5. Press 1 for TV.
6. Press **POWER** key.
7. Press **CH+** repeatedly until device turns off.
8. Press **SETUP** when device turns off.

Changing TV source input if your TV has no picture or says no signal:

1. Press the TV button in the upper right hand corner of the remote.
2. Press the * button that is labeled **INPUT** as many times as needed to get your WTC Video back on the TV screen.

To Troubleshoot

1. Press STB button
2. Power cycle the set top box
3. Make sure there are no obstructions between the remote and set top box
4. Replace the remote's batteries
5. Visit WTC to replace your remote

Your WTC STB is on the input labeled _____

WTCtv App

With the WTCtv app, you can watch and record your favorite shows, browse the TV channel guide, search for programs, view and edit all DVR recordings, adjust your settings, or take advantage of the many other available features, all from the palm of your hand!
